Admission policy for kindergartens or preschool units in primary schools 2021/2022

Admission procedure starts on the 1st of March 2021 at 12 noon provided at <https://naborp-kandydat.edu.gdansk.pl/gdansk>

Online system will be blocked before this day.

GENERAL INFORMATION

- Gdańsk offers common recruitment procedure for kindergartens, preschool units in primary schools (so called 'zerówka'), primary schools and other forms of preschool education
- The admittance of a child to a kindergarten/preschool unit in a primary school or any other preschool form of education does not depend on the sequence of applications.

Children already attending a kindergarten or another form of preschool education

- Parents of children who are already attending a kindergarten do not need to log into the electronic system - they only submit a proper application form ('karta kontynuacji') between the 15th and the 26th of February 2021 until 3 pm at the principal's office.

Children living outside the city of Gdańsk

- Candidates living outside the city of Gdańsk may be accepted in the kindergartens, preschool units in primary schools (so called 'zerówka') and other forms of preschool education within the city limits in case of vacancies in a certain kindergarten, preschool unit in a primary school (so called 'zerówka') or other forms of preschool education.

The recruitment process regarding vacant places shall be conducted between the 23rd and 31st of August 2021

In order to apply parents are asked to submit an application form at a chosen kindergarten or a primary school.

- 3 years (born in 2018) - is the minimum age limit for children participating in the admission
- process (child needs to be 3 years old in 2021)
- **3-year-old (born in 2018) and 4-year-old (born in 2017) are entitled to kindergarten/other preschool education care.**

ZASTĘPCZYNI PREZYDENTA MIASTA GDAŃSKA

- 5-year-old children (born in 2016) are entitled to kindergarten/other preschool education care.
- **6-year-old children** (born in 2015) - are obliged to enter one year preschool education in kindergarten, preschool unit in a primary school or other preschool education form.

A 6-year-old child may begin school education in the first grade under condition that in 2020/2021 school year, the child has already participated in the preschool education. Lacking preschool education care, a child may still start education in the first grade at primary school once a pedagogical counselling centre issues a statement stating candidate's ability to start education a primary school.

In case in the admission process children are not accepted in a chosen kindergarten, the Mayor of Gdańsk will indicate w place in another kindergarten.

- **The admission process for children holding a statement defining their special education needs**

Children holding a special education needs statement issued on the basis of their disability may apply to a general kindergarten, integrated kindergarten or special needs kindergarten. Public pedagogical counselling centres issue statements indicating special needs, diagnosing child's situation and informing about the recommended school type.

Admission for candidates with a statement indicating special needs based on a disability (Educational Law Act dated 14th December 2016 under article 130 paragraph 8):

a) for kindergartens/general units:

Candidates holding a statement indicating special needs applying to a kindergarten/general unit participate in the admission process according to the general rules provided for the 2021/2022 admissions.

b) for kindergartens/integrated units:

Candidates holding a statement indicating special education needs do not participate in the admission process and do not need to fulfil the criteria. The decision about admission is taken by the admissions committee, appointed by the Head of the given centre.

In order to admit a candidate at a kindergarten/integrated unit, the admission form should be filled out, signed and submitted between March 1st at noon and March 12th 2021 before 3pm at the kindergarten of their first choice. The statement indicating special needs should be attached to the application.

In case of choosing more than one integrated kindergarten/integrated unit, all the documents should be submitted in each of the chosen centres. There are two ways to do so:

ZASTĘPCZYNI PREZYDENTA MIASTA GDAŃSKA

- scan the documents (the admission form and the SEL statement) and send them via email to the centre(s)
- put the documents in an envelope, sign the envelope, and drop it into a slot dedicated to it at the centre

The lists of candidates who meet the admission requirements, as well as of those who do not, are published on March 24th 2021 at 3pm. Parents can obtain this information in two ways:

- at a first choice centre where the lists are presented
- by logging into the electronic admission system

Between March 23rd (8 am) and March 29th (4pm) parents need to confirm that they want their child to attend the given centre by:

- signing a written declaration specifying time spent in the kindergarten (available under the files section in the admission system)
- submitting a signed form confirming the decision about their child attending a preschool unit in a primary school (attachment no. 5, available in the admission system files).

These documents can be submitted at the given centre by:

- scanning the document (the declaration or the signed form), and sending them via email to the centre
- putting the document in an envelope, signing the envelope, and dropping it into a slot dedicated to it at the centre

The lists of admitted and not admitted candidates are published on March 31st 2021 at 3 pm.

Candidates who do not hold a statement regarding special needs education are to follow 2021/2022 general admission rules (Educational Law Act dated 14th of December 2016 under article 131 paragraph 8):

c) special education needs kindergartens:

If a candidate is applying to a special needs kindergarten, parents are to submit the application form directly to the facility's principal (after arranging a suitable time over the phone). The form is available in the facility, on its website and in the files section of the admission system. The candidate does not participate in the electronic recruitment system.

The decision to admit a candidate is taken by the facility head, based on the recommendations included in the statement issued by the pedagogical counselling centre, specialists' opinion and facility's capabilities.

The city of Gdańsk offers wide and various range of facilities for children requesting special needs.
